

# Community Group Energy Champions

We are looking for Shropshire-based community groups who are interested in helping householders in their local community to **keep warm, save energy and cut carbon.**

## Energy Efficiency Training

**We can train your group to offer:**

- **Home Energy Audits** to spot opportunities to save energy, money & carbon and use of HEAT app
- **Energy advice** and tips on keeping warm
- **Signposting** for support and information on grants available to upgrade home energy efficiency
- **Low-cost measure** provision & installation (e.g. LED bulbs, draught excluders etc.)
- **Thermal Imaging** survey training and use (subject to availability)

## Marketing & Events

**We can support you with:**

- **Marketing support** for your energy efficiency offer including leaflet, poster & social media post templates
- **Events support** and resources to help engage your community in saving energy & cutting carbon

## Want to get involved?

- **For more information on how to get involved please get in touch:** [chloeking@mea.org.uk](mailto:chloeking@mea.org.uk)  
**01743 277 125**
